

“No Spray” Sign Request Form

You are receiving this letter because you have registered on the Iowa Department of Agriculture and Land Stewardship, Sensitive Crop Directory. In order to minimize the potential for pesticide drift damage and to protect your crops, a “No Spray” sign has been designed. We are providing these signs at a much reduced cost to you due to additional funding provided by an EPA grant, as well as contributions from Iowa Aerial Applicators Association, Syngenta, Bayer, and BASF. The sign will be 12” x 18” in. and made of aluminum. This sign is available to only those that have registered, and the cost for each sign is \$5.00.

Please indicate the number of signs you would like to purchase, and return your check with this order form.
